The next year will be a busy one for the Skagit Art Association. Let's start with a Pot Luck dinner celebrating our creativity, our successful Pickle Barn Show, and raise our glasses in a toast to art! I'm looking forward to working with every member to make our next year successful and creative.

Our June 10th meeting will be a busy one. We will:

Editorial Note:

It's time for me to turn over the reigns of the newsletter to another member who will enjoy keeping SAA "in the news"...

I've enjoyed my years of association with all of you. I have many good memories to take with me. (Like freezing to death in the drafty, cold Pickle Barn or the times we had to wrestle the tent from Mother Nature during a rain storm and especially the scrumptious cookies members made!)

Thank you for sharing your friendship, talents and fun times with me.

My best to each and every one and to SAA...Jeanne

That's All Folks!
